Key West Botanical Garden Society

Monroe County Tourist Council
DAC ONE Board
White Street
Key West, Fl. 33040
September 30, 2003

Dear Board Members:

It is necessary that we ask for an extension on our grant until the end of the year. On September 2nd, we met with the City Tree Commission for alleged violations to the City ordinances. At this meeting, no fines were imposed nor was anything done in violation of the ordinances, however, the Tree Commission has halted installation of the pond, and boardwalks and has tabled all approvals for transplants and removals that were made on Sept. 2nd, until their October 20th meeting at which such time we must furnish a list of required actions and information. We have completed everything required.

On behalf of all the board, the volunteers, the donors and sponsors, we regret having to come before you. Our intention and schedule to be on time and the grant properly executed by September 30th were right on track until this delay.

We will have submitted \$ 49,000 for reimbursement by the end of the September 30th grant cycle, which represents 48% completion and will still need \$54,000 to be extended through January 31, 2004.

We hope you will look kindly on our request as an all-volunteer organization who is raising money and in-kind donations for this most spectacular tourist attraction that will bring eco tourism to new heights.

The trees thank you,

Carolann Sharkey
President and volunteer

This AGREEMENT dated the 18th day of June 2003, is entered into by and between the BOARD OF COUNTY COMMISSIONERS FOR MONROE COUNTY, hereinafter "County," on behalf of the TOURIST DEVELOPMENT COUNCIL, hereinafter "TDC" and Key West Botanical Garden Society, a Florida not-for-profit corporation, hereinafter "Contractor".

WHEREAS, the third penny of Tourist Development Tax may be used to acquire, construct, extend, enlarge, remodel, repair or improve, convention centers, sports stadiums, sports arenas, coliseums, auditoriums, fishing piers, museums, zoological parks, nature centers and beaches which are publicly owned and operated or owned and operated by not-for-profit corporations, and

WHEREAS, Contractor has applied for funding for the ADA Compliant Walkway project to construct and improve the walkway at Key West Botanical Garden property hereinafter "the Property"; and

WHEREAS, the County and TDC have determined that it is in the best interest of the County, for purposes of promoting tourism and preserving the heritage of the community, to acquire, construct, repair and rehabilitate the property for use as a museum open to the public;

NOW, THEREFORE, in consideration of the mutual covenants and payments contained herein, the Contractor and the County have entered into this agreement on the terms and conditions as set forth below.

1. AGREEMENT PERIOD. This agreement is for the period June 18, 2003 through September 30, 2003. This agreement shall remain in effect for the stated period unless one party gives to the other written notification of termination pursuant to and in compliance with paragraphs 7, 12 and 13 below.

2. SCOPE OF AGREEMENT. The Contractor shall provide such materials and services as are required to construct a raised, ADA compliant walkway beginning at the new entry, providing access into the garden through the butterfly garden; Plant trees and shrubs appropriate to the type of garden; Move trees and construct lighted and fenced service area adjacent to the office.

The recipient of TDC capital project funding shall designate a project manager if no licensed architect, engineer or general contractor is involved in the project. If the project is performed by County or City personnel, the project manager shall be the Engineer, Building Official or Construction Manager of that local government.

3. AMOUNT OF AGREEMENT AND PAYMENT. The County shall provide an amount not to exceed \$103,000 in reimbursement for materials and services used to construct and improve the property. The Board of County Commissioners and the Tourist Development Council assume no liability to fund this agreement for an amount in excess of this award. Monroe County's performance and obligation to pay under this agreement is contingent upon an annual appropriation by the BOCC.

a). Payment for expenditures permissible by law and County policies shall be made through reimbursement to Contractor upon presentation of invoices, canceled checks and other documentation necessary to support a claim for reimbursement. Included in said documentation shall be proof that the Contractor has received and applied to the property matching funds

equivalent to or greater than the amount invoiced to the County. Submission of invoices must be certified through a statement signed by an officer of the organization and notarized, declaring that representations in the invoice are true and factual.

b) Application of matching funds requires actual payment of the matching funds, or, in the alternative, a commitment of said funds and that the portion of the project for which the matching funds are to be used has been sufficiently completed to require payment of said matching funds. Mere obligation through execution of a contract or approval of a budget item to be paid from matching funds will not suffice.

c) Documentation shall be submitted to the TDC Administrative Office to show the receipt and application of in-kind donations of goods, professional services, and materials. Said documentation should include invoices, bills of lading, etc., and be verified as received and applied to the project through a notarized statement of the project architect, engineer, general contractor or project manager. The receipt and application to the project of volunteer labor are to be documented and verified by notarized signature of the project architect, engineer, general contractor or project manager, and said documentation submitted to the TDC Administrative Office. All submissions should have a proposed schedule of values for phases and indicate the percentage of completion of the overall project as of the submission. This document should be signed by the project architect, engineer, general contractor or project manager.

4. **REPORTS.** The Contractor shall provide financial reports in summary of activity on forms provided or approved by the TDC, and quarterly narrative reports of activity under the approved work plan. The Contractor shall keep such records as are necessary to document the performance of the agreement and expenses as incurred, and give access to these records at the request of the TDC, the County, the State of Florida or authorized agents and representatives of said government bodies. It is the responsibility of the Contractor to maintain appropriate records to insure a proper accounting of all funds and expenditures. The Contractor understands that it shall be responsible for repayment of any and all audit exceptions which are identified by the Auditor General for the State of Florida, the Clerk of Court for Monroe County, the Board of County Commissioners for Monroe County, or their agents and representatives. In the event of an audit exception, the current fiscal year grant award or subsequent grant awards will be offset by the amount of the audit exception. In the event the grant is not renewed or supplemented in future years, the Contractor will be billed by the County for the amount of the audit exception and shall promptly repay any audit exception.

5. **MODIFICATIONS AND AMENDMENTS.** Any and all modifications of the terms of this agreement shall be only amended in writing and approved by the Board of County Commissioners for Monroe County.
